**SLOTMUSIC CARDS NOW SHIPPING: MORE THAN 40 TOP ARTISTS AVAILABLE FROM
NEARLY EVERY GENRE OF MUSIC**

*Artist' Albums, Including Coldplay, Katy Perry, Leona Lewis, Rihanna and Robin Thicke will be
Available on High Quality, DRM-Free MP3 slotMusic™ Cards at Best Buy® and Wal-Mart*

(Los Angeles, CA, New York, NY, Milpitas, CA – October 15, 2008)—The world's four largest music companies and SanDisk Corporation (NASDAQ:SNBK), a leading seller of MP3 players and flash memory cards in the United States, today unveiled the full list of artists joining the inaugural slotMusic line-up. Starting this week, music fans can purchase slotMusic cards—microSD™ cards with pre-loaded, high quality, DRM-free MP3 music—featuring new release albums from favorite artists like Coldplay,

Katy Perry, Leona Lewis, Rihanna and Robin Thicke and catalog titles from Elvis, Abba and more. Within days of shipping, slotMusic cards will arrive on the shelves of Best Buy and Wal-Mart in the United States, with a manufacturer's suggested retail price of \$14.99.

slotMusic makes today's hottest music available on interoperable microSD cards that let fans instantly plug and play albums into their microSD slot-enabled mobile phones, portable media players, computers, and an increasing number of car stereos.

More than just your typical music albums or single downloads, slotMusic cards boast 1GB¹ (gigabyte) of capacity to offer artists a compelling new way to express themselves to their fans. In addition to songs, slotMusic cards may hold liner notes, album art, videos and other creative content that an artist may choose.

Grammy™-winning recording artist Robin Thicke, is utilizing the additional space on his card to add exclusive videos, behind the scenes footage and photos, personally chosen by Thicke to share with his fans.

Dozens of popular artists from EMI Music, SONY BMG, Universal Music Group, and Warner Music Group are making their debut on slotMusic cards in time for the holidays, including:

- ABBA
- Chris Brown
- Coldplay
- Connie Talbot
- Daughtry
- Don't Quit Fitness Bundle
- Elvis Presley
- Five Finger Death Punch
- Jimi Hendrix
- Jimmy Buffett
- Katy Perry
- Keane
- Kelly Clarkson
- Kiss
- Leona Lewis
- Lynyrd Skynyrd
- Metro Station
- MIA
- Nelly
- New Kids On the Block
- Ne-Yo
- Nickelback
- Pussycat Dolls
- Rihanna
- Rise Against
- Robin Thicke
- Saving Abel
- Shwayze
- Solange
- Sugarland
- Tim McGraw
- Toby Keith
- Usher
- Weezer
- Young Jeezy

Consumers can expect additional releases from other artists before the end of the year.

slotMusic has an unparalleled, pre-existing installed base at launch: hundreds of millions of multimedia-phones.

slotMusic cards are packaged with a tiny USB adapter (a \$9.99 value) ensuring seamless interoperability with all computers – Windows, Linux and Mac—and enabling music fans to move their music to any music management software program or MP3 music device. The MP3-based music tracks will be played back at up to 320 kilobits per second (kbps), offering a high quality audio experience.

slotMusic cards are expected to be available in Europe in 2009.

SanDisk Corporation (NASDAQ: SNDK), inventor of the ubiquitous microSD format, is leading the technology development behind slotMusic.

About EMI Music

EMI Music is the recorded music division of EMI Group Limited, one of the world's leading music companies. EMI Music represents artists spanning all musical tastes and genres. Its record labels include Angel, Astralwerks, Blue Note, Capitol, Capitol Nashville, EMI Classics, EMI CMG, EMI Records, EMI Televisa Music, Manhattan, Mute, Parlophone and Virgin.

About SanDisk

SanDisk Corporation, the inventor and world's largest supplier of flash storage cards, is a global leader in flash memory – from research, manufacturing and product design to consumer branding and retail distribution. SanDisk's product portfolio includes flash memory cards for mobile phones, digital cameras and camcorders; digital audio/video players; USB flash drives for consumers and the enterprise; embedded memory for mobile devices; and solid state drives for computers. SanDisk (www.sandisk.com/corporate) is a Silicon Valley-based S&P 500 company, with more than half its sales outside the United States.

About SONY BMG MUSIC ENTERTAINMENT

SONY BMG MUSIC ENTERTAINMENT is a global recorded music company with a roster of current artists that includes a broad array of both local artists and international superstars, as well as a vast catalog that comprises some of the most important recordings in history. Sony BMG Music Entertainment is a wholly owned subsidiary of Sony Corporation of America.

About Universal Music Group

Universal Music Group is the world's leading music company with wholly owned record operations or licensees in 77 countries. Its businesses also include Universal Music Publishing Group, the industry's leading global music publishing operation.

Universal Music Group's record labels include Decca, Deutsche Grammophon, Disa, Emarcy, Fonovisa, Interscope Geffen A&M Records, Island Def Jam Music Group, Lost Highway Records, Machete Music, MCA Nashville, Mercury Nashville, Mercury Records, Philips, Polydor Records, Universal Motown Republic Group, Universal Music Latino, Universal Records South, and Verve Music Group as well as a multitude of record labels owned or distributed by its record company subsidiaries around the world. The Universal Music Group owns the most extensive catalog of music in the industry, which includes the last 100 years of the world's most popular artists and their recordings. UMG's catalog is marketed through two distinct divisions, Universal Music Enterprises (in the U.S.) and Universal Strategic Marketing (outside the U.S.). Universal Music Group also includes eLabs, its new media and technologies division; Bravado, its merchandising company; Twenty-First Artists, its full service management division; and Helter Skelter, its live music agency. Universal Music Group is a unit of Vivendi, a global media and communications company.

About Warner Music Group

Warner Music Group became the only stand-alone music company to be publicly traded in the United States in May 2005. With its broad roster of new stars and legendary artists, Warner Music Group is

home to a collection of the best-known record labels in the music industry including Asylum, Atlantic, Bad Boy, Cordless, East West, Elektra, Lava, Nonesuch, Reprise, Rhino, Roadrunner, Rykodisc, Sire, Warner Bros. and Word. Warner Music International, a leading company in national and international repertoire, operates through numerous international affiliates and licensees in more than 50 countries. Warner Music Group also includes Warner/Chappell Music, one of the world's leading music publishers.

¹ 1 megabyte (MB) = 1 million bytes; 1 gigabyte (GB) = 1 billion bytes.
